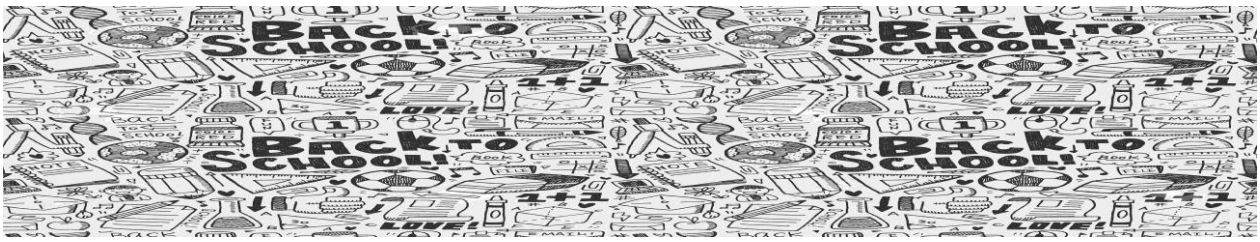
September 10th Newsletter – Welcome to a New School Year!



Welcome back to all of our new and returning families! We are very happy to have you as part of our school community. I hope we have a year of great learning ahead of us.

Every week I will post a newsletter with an outline of what we will be doing over the week and important dates. Also, you will find the new spelling list on the newsletter. I give spelling quizzes every Thursday.

I would like to remind parents to encourage their children to do homework alone; this helps me find out what the students understood in class and what they didn't therefore helping me know what to cover again or explain one on one to students. Also, reading is very important; students should read at least 20/30 minutes every day.

If you have any questions please do not hesitate to contact me through the contact page

on weebly.
